Staff Report

Origin

Permissive exemptions are provided to various properties in accordance with sections 220 and 224 of the Community Charter and Council Policy 3561. The exemption bylaw must be adopted by October 31st each year to be effective for the following year.

Analysis

Visits were made to the various religious organizations on No 5 Road to ensure that farming activities are conducted on the backlands. Almost all organizations are currently meeting their farming requirement.

In the 2011 Permissive Exemption Bylaw report to Council, Thragu Monastery at 8140 and 8160 No 5 Road was a new addition to the exemption bylaw. At that time, the property at 8140 No 5 Road had met the necessary farming requirements for a permissive exemption. The property at 8160 received a partial permissive exemption for only the storage shed and the land beneath the shed due to the fact that the backlands were not farmed and the Monastery's original farming plan was not adequate.

Representative for the Monastery provided staff with a new farm plan in late 2010, indicating that the backland for 8160 will be used for growing food, flowers and fruit to be used at the monastery for the residents, guests and program participants. Excess production will be donated to the Richmond Food Bank.

Staff met with the representative and visited the Monastery in late August 2011 to confirm farming activities. Only a small section of 8160 No 5 Road has had some farming activity and a few fruit trees have been planted. A number of greenhouses were built on the property but there was little activity within the greenhouses. The representative explained that the greenhouses were built for container gardening and other crops that required higher temperatures. Because they were not experienced farmers, they did not expect the temperatures inside the greenhouses to escalate rapidly and all their plants died within one weekend. It appeared that they have cleared the debris in the greenhouses in preparation for replanting. He also provided a new revised farm plan for the Monastery stating one half of the backland will be farmed by the Monastery. The remaining one half of their backland will be divided into smaller plots. A number of their member families with farming experience have agreed to each farm a small plot with the agreement that 1/3 of the resulting produce will be donated to the church for their consumption, 1/3 sold to church members or the general public in order to meet BC Assessment's \$2,500 farming revenue threshold, and 1/3 kept by the family for their own consumption. To date, this work has not commenced.

The Monastery has requested for additional permissive exemptions for the remaining taxable portion of 8160 No 5 Road that is used for overflow parking when the Monastery has larger events. Given that there is little farming on the lot and that they have not provided the necessary membership figures to determine whether the overflow parking is required, Staff recommends no change to their current exemption and that their 2012 application be reviewed for additional exemptions for 2013.

Further changes to the 2012 Permissive Exemption Bylaw are listed in Appendix I. The changes are:

- The property owned by the Richmond Gospel Society at 9160 Dixon Avenue was sold in August 2011. The new owners do not qualify for any exemptions but have inquired about the possibility of an exemption if they are able to lease the property back to Richmond Gospel Society. The new owners were reviewing various methods which would allow them an exemption. No further contact was made by the new owner by the deadline of this report. The property will be removed from Bylaw 8793.
- The property owned by the Developmental Disabilities Association at 7611 Langton Road meets Council Policy 3561 as a property owned by a NPO and is licensed under the Community Care Facility Act. This property is added to Bylaw 8793.
- The property at 12071 No 5 Road is owned by the City of Richmond and is occupied by Richmond Animal Protection Society ("RAPS"). The property qualifies for exemption under Council Policy 3561 and should be added to Bylaw 8793.

Due to the number of properties receiving permissive exemptions, Staff can only randomly visit a select number of properties annually to ensure compliance. Staff currently relies on the accuracy of the questionnaires that each organization submits annually to determine their eligibility for exemptions in the coming year. To ensure compliance, Staff will conduct site visits to all properties in early 2012 to ensure that each organization continues to meet the requirements of sections 220 and 224 of the Community Charter and Council Policy 3561.

Financial Impact

Property tax exemptions impact City finances by reducing the total assessed value of properties subject to taxation. This results in the City recovering the shortfall through tax increases to general taxpayers.

Church properties represent the largest number of permissively exempted properties and accounts for approximately \$370,076 in direct municipal taxes waived in 2011. Non-City owned properties exempted account for approximately \$597,520 in waived taxes and City owned or leased properties account for approximately \$2,438,580.

Conclusion

Bylaw 8793 will provide tax exemptions in accordance with Provincial legislation and Council policy.
