

City of Richmond

Report to Committee

To: Planning Committee **Date:** March 29, 2004
From: Terry Crowe **File:** 0100-20-AADV1
Manager, Policy Planning
Re: AGRICULTURAL ADVISORY COMMITTEE
2003 ANNUAL REPORT AND 2004 WORK PROGRAM AND BUDGET

Staff Recommendation

That the Agricultural Advisory Committee 2004 Work Program be approved.

Terry Crowe
Manager, Policy Planning

Att. 2

FOR ORIGINATING DIVISION USE ONLY

CONCURRENCE OF GENERAL MANAGER

Staff Report

Origin

Pursuant to the Terms of Reference for Council's Agricultural Advisory Committee (AAC), this report provides the Committee's:

- 2003 Annual Report; and
- 2004 proposed Work Program.

Analysis

2003 Accomplishments

- Council established the AAC and appointed nine voting members representing the farming community, the Advisory Committee on the Environment and a citizen-at-large. Additional non-voting members represent City Council; the Ministry of Agriculture, Food and Fisheries; the Agricultural Land Commission and the Policy Planning Department.
- The AAC held its first meeting on July 9, 2003. The Committee elected two co-chairmen, Bruce May and Ian Chang.
- The AAC prepared a draft Work Program and budget for the balance of 2003 and for 2004.
- The AAC decided on a protocol for meeting with proponents of development proposals in the Agricultural Land Reserve (i.e. Guidelines for Informal Discussions with the Public). This protocol applies whenever a proponent approaches members of the AAC independently without having first presented the subject proposal to either City Staff or Council.
- The AAC held four meetings in 2003 and completed the work items outlined in **Attachment 1**.

2004 Work Program

- The AAC will continue to monitor and implement the Agricultural Viability Strategy, which was adopted by Council in May 2003.
- The proposed AAC 2004 Work Program is presented in **Attachment 2**.

Financial Impact

None

Conclusion

The AAC's 2003 Annual Report and 2004 proposed Work Program are presented.
