Re: Truck Parking Pilot Program - Bylaw Amendments

At the General Purposes Committee meeting of October 20, 2025, the Committee considered the report titled "Proposed Amendments to Traffic Bylaw 5870 and Consolidated Fees Bylaw No. 8636 for Commercial Truck Parking", dated October 14, 2025, from the Director, Transportation.

Discussion at the meeting ensued regarding priority for trucks registered in Richmond. This memorandum responds to this matter.

City bylaw amendments are required to facilitate the Council approved Truck Parking Pilot Program. Attached are the revised recommended amendments to the Traffic Bylaw No. 5870, Amendment No. 10703 and Consolidated Fees Bylaw No. 8636, Amendment No. 10720 to include a requirement for commercial trucks participating in the pilot program to be registered to Richmond owners and operators. Information regarding the registration criteria and priority for Richmond based commercial trucks will be included as part of the communications plan for the pilot program.

These bylaws supersede the bylaws in the staff report.
