Staff Report

Origin

For many years, Council has supported the cancellation of Council and Standing Committee meetings during the summer vacation season. These usual revisions to the meeting calendar are being presented at this time to provide more certainty and more advance notice of Council's regular meeting schedule for the coming year. In addition, Council resolutions are required for some of the proposed changes, such as the re-scheduling of the Public Hearing.

Analysis

Over the past four years, Council has cancelled and/or re-scheduled all of the Council and Committee meetings that would otherwise have occurred during a four week period in August. No problems were observed in adopting this revised summer meeting schedule, nor were there any serious disruptions to City business. A comparable approach is being recommended for August 2009 with the cancellation of two Council meetings and the associated Standing Committee meetings. Similarly, the cancellation of one Council meeting and 1 Standing Committee meeting is being recommended in December during the holiday closure period.

In addition, Council may also note that two Standing Committee meetings are currently scheduled to take place very close to the holiday season break, that is, the Planning Committee meeting on December 22nd and the Public Works and Transportation Committee meeting on December 23rd. As such, it is possible that these meetings may need to be cancelled or rescheduled, however, a decision can be made closer to the time, depending on need. A recommendation to cancel is not being made at this time.

The other proposed change to the meeting schedule is the recommended re-scheduling of the August 17th Public Hearing to September 9th, 2009. This change in the Public Hearing schedule for September minimizes the delay, due to the summer meeting break, for consideration of land use applications that have been given first reading. It is also noted that if the Planning Committee meetings and Council meetings in August are cancelled, there would logically be no items in-stream for the regularly-scheduled September 21st Public Hearing. Consequently, and barring any special meetings called to consider land use applications in August, the September 21st Public Hearing would be cancelled administratively due to a lack of agenda items, in accordance with the Council Procedure Bylaw. This cancellation would be done closer to the time once it is known that there are no unforeseen special meetings called in August.

The current and proposed revised Council and Committee meeting schedule for 2009 is attached **(Attachments 1 and 2)**.

With regard to providing a context for these proposed changes to the 2009 meeting schedule, other lower mainland municipalities have made similar summer meeting arrangements as follows:

Vancouver	No Council or Committee meetings between July 24 th and September 7 th
Surrey	No Council or Committee meetings between July 31 st and September 13 th
Dist. of North Vancouver	No Council or Committee meetings between July 21 st and August 23 rd
Burnaby	No Council or Committee meetings between July 22 nd and August 30 th
New Westminster	No Council or Committee meetings between July 14 th and August 30 th
City of North Vancouver	No Council or Committee meetings between July 28 th and September 13 th
Coquitlam	No Council or Committee meetings between July 29 th and September 13 th
Richmond (proposed)	No Council or Committee meetings between July 29 th and September 7 th

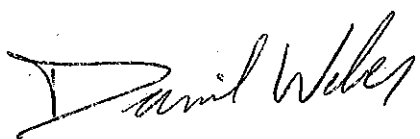

Finally, should any circumstances arise during August, or at any other time, which would require the immediate attention of Council, a Special Meeting can be called with 24 hours notice. Such a meeting may also be facilitated using conference calls, as permitted by the Council Procedure Bylaw, for those Council members who wish to participate but who are out of town.

Financial Impact

None.

Conclusion

The 2009 Council and Committee meeting schedule may be revised as recommended, on the understanding that a Special Council Meeting can be called with 24 hours notice should any unusual or urgent circumstance arise.
