

Preliminary Development Permit Panel Agenda

**Council Chambers, City Hall
6911 No. 3 Road**

**Wednesday, April 30, 2008
3:30 p.m.**

Note: The following staff reports, available in Adobe Acrobat pdf format, will form part of the final Development Permit Panel Meeting agenda. Additional material which is received in time for publication, such as written submissions from the public and/or additional requested information from staff will also be included in the final Development Permit Panel agenda. Submissions received after the final agenda has been compiled will be distributed and made available at the Development Permit Panel meeting. A copy of the proposed Development Permit, supporting staff and Committee reports and other background materials may also be inspected at the Planning & Development Department, between the hours of 8:15 am and 5:00 pm, Monday through Friday, except statutory holidays, commencing ten days prior to the Development Permit Panel meeting date.
