(Report: July 9, 2008, File No.: 01-0154-04) (REDMS No. 2472287, 2482718)

(1) *That TransLink be advised that while the six goals and four strategies proposed in the draft Transport 2040 dated June 12, 2008 can be supported, the City of Richmond's endorsement of the entire document is conditional to the following revisions being made prior to final approval by its Board:*

(a) *inclusion of a clearly articulated guiding vision for transportation in the region;*

Regular Council Meeting

Monday, July 28, 2008

RES NO. ITEM

- (b) clarification on what specific long-term provincial transportation plans were used as the basis for developing the draft Transport 2040 to ensure cohesiveness between the provincial and regional visions;*
 - (c) inclusion of specific strategies to ensure that regional transportation planning (TransLink's Transport 2040) and regional land use planning (Metro Vancouver's Regional Growth Strategy) are fully integrated;*
 - (d) any maps illustrating future rapid transit lines or frequent bus network concepts should indicate only a broad desire line linking the destinations rather than fixed routes along existing streets to ensure that sufficient municipal consultation occurs when developing the future preferred route alignments;*
 - (e) more in-depth strategies with respect to the goals and strategies regarding:
 - (i) cycling and walking; and*
 - (ii) goods movement corridors that link regional gateway destinations including the Port Metro Vancouver lands in Richmond; and**
 - (f) inclusion of the installation of system-wide electronic gates on the entire rapid transit network along with the introduction of a Smart Card system.*
- (2) That TransLink be advised that the City supports the draft 2009 10-Year Base Plan on condition that the upcoming development of the 2009 10-Year Supplemental Plan incorporates the following commitments and measures:*
- (a) a sustainable funding strategy that explicitly identifies any new revenue sources required and includes an aggressive approach of seeking stable, long-term funding from senior levels of government without having to rely on further increases of property taxes;*

Regular Council Meeting

Monday, July 28, 2008

RES NO. ITEM

- (b) *the following key Richmond transportation infrastructure and transit service improvements:*

 - (i) *installation of electronic gates in all rapid transit stations;*

 - (iv) *construction of the Nelson Road interchange with Highway 91 and associated roadworks; and*
 - (v) *planning of Blundell Road improvements and related Highway 99 corridor improvements to be co-ordinated with the Ministry of Transportation;*
- (c) *more comprehensive consultation, both in terms of the depth of material presented and sufficient opportunity to provide meaningful feedback, with the public and municipalities on the proposed projects and funding sources;*
- (d) *more flexibility in TransLink's cost-sharing programs with municipalities for improvements on walking, cycling, and other transit-oriented development related streetscape enhancements to encourage the increased use of sustainable transportation; and*
- (e) *stronger collaboration between TransLink and Metro Vancouver to ensure that a joint regional land use plan, transportation plan, and environmental monitoring plan is developed and presented, consistent with the proposed Transport 2040 strategies as noted in Recommendation 1(c); and*
- (3) *That the attached report be forwarded to TransLink for its consideration in the finalization of Transport 2040 and the 2009 10-Year Base Plan.*
