# The Community Profile Series

The United Way decided to undertake this profile for a few reasons:

- UWLM wants to keep a finger on the pulse of what communities need and if their needs are changing.
- UWLM funds many agencies and services in Richmond and we are aware of changing need. This profile will inform our investment in future services, to partner in Richmond for an even stronger community.
- As a knowledge resource and a community partner, we provide this compiled profile to inform partner planning and strategies.
