Comments:	<p>My family opposes this amendment because we believe we are affected by the proposed bylaw. It is just right opposite to our building, thus most of our sight of views will be blocked. Because the building is so close to ours, we are really concerned about the amount of dust and the noisy sound the construction of the building will bring to us. Moreover, we are also worried about the chance of being unsafe during the construction period since this will take quite a long time to finish, as well as the harsh sunlight reflection from the building's windows after it will be finished in the future. Therefore, because of all these concerns listed, my family is against the proposed rezoning - "Official Community Plan Amendment bylaw 8516 and Zoning Amendment bylaw 8517" (RZ 07 - 402059) . Thanks for your consideration.</p>
