Subject: Meeting schedule

Hello,

My name is Ravi Hayer, and I am the President of the Richmond Rugby Club. Several members of our membership as well as myself would like to make a presentation at the Parks Recreation and Cultural Committee meeting on April 29, 2008. We would like to talk about the rich history of the Richmond Rugby Club which has been in Richmond for over 50 years, and what it means to it's members and the community as a whole. The club is in need of permanent dedicated rugby facilities in Richmond. The Rugby Club has been with out a home since being displaced from the Sea Island Forum in the late 1990's. The Rugby Club has deep roots within the City and touches many families with our City. Our members volunteer their time Coaching at all High Schools in Richmond as well we run 3 Senior Men's teams, an under 19, under 17, under 16, under 14, and have a thriving mini-rugby program for ages 5-12 for boys and girls. We would like to present how we could help the City and our members grow one of the largest sports in the World. We would also like to create a community led initiative to that end.

Thank you in advance,
Ravi Hayer
