To the Richmond City Council

My name is ERIC LI, owner of a single detached home in 6197 TIFFANY BLVD. As written in the answers portion of the 1st page of your FAQ brochure, it says "LUCs, which are similar to zoning regulations, are registered on the title of each property and remain in force today. Until recently, agreement from both the property owner and municipality was required to amend or discharge the contract". Question is that are you ~~you~~ still going to push through with the early termination of the LUCs, even majority of the property owners are opposed to its early termination, ~~I am~~ I am for the original plan of termination of the LUC on June 30, 2024.
