Cynthia & Barry,

Following up the above meeting with your director "Craig" and with the builder in which it was promised to provide the traffic plan during the construction period. Below were the commitments builder and the City was supposed to provide to us for review via City planning department by Wednesday Dec 2nd, 2015 but till to date no information were passed on to us.

1. Builder agreed no heavy trucks through this lane except while building the back lane extension and that duration will be very short.
2. Builder agreed not to park any construction vehicle during construction period in this SRW lane and in the back lane provided city will keep open the front entrances of 9131 which City agreed to do that.
3. City transport will re-visit the lane and will assess the safety/condition of the lane and report back to planning department?
4. Craig agreed to provide the written assurance regarding the fencing of the SRW as per NISHA's request.
5. The City agreed to enforce the construction vehicle parking restrictions and will monitor the activities. We have no idea, will there be a hotline to call for violators?

Please let us know the status of these commitments.

Thanks,

Qaiser
