Re: Notice of Public Hearing relating to Land Use Contracts Correspondence

Dear Mr. Weber,

School District 38 has received the above notice where, on November 24, 2015, Council is seeking input in their consideration of the Bylaws that relate to individual Land Use Contracts through a Public Hearing.

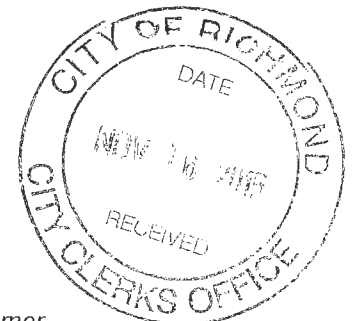

Diefenbaker Elementary School is the only School District property encumbered by the Land Use Contracts identified in the notice. Because Diefenbaker's Land Use Contracts address residential land uses only and have no effect on the school or its property, the School District is supportive of the City considering the early termination of the Diefenbaker Land Use Contract.

Sincerely,

Director of Facilities Planning

Cc: Monica Pamer, Superintendent of Schools
