I am the owner of a residential property that the City of Richmond proposes and/or intends to rezone as a new Waterfront Park and the extension of the roadway for Willett Ave at Westminster Hwy, through to River Road. I was not informed by mail or otherwise by the City of Richmond regarding any of these 'Hamilton Planning Concept' meetings.

I am against the rezoning of my property for the personal, professional, or monetary gain of others. I am also against my neighbors having input into deciding the future use of my land during meetings, through surveys, or by any alternate means.
