Hello Ms. Carlile,

We have enjoyed living on Dayton Court since 1985, it is a very quite cul-de-sac, one of the reasons why we bought on this particular street.

We feel the proposed design plans for this property do not fit with the flow of this neighbourhood, much too crowded!

We are not in agreement with driveway access to the Ash Street project from Dayton Court. It would definitely change the quiet of the street we have all cherished.

How much parking is being planned for homeowners and renters?

James and Joanne Anderson
