**Importance:** High

Good Afternoon,

We are Owners of #516-5860 Dover Crescent and we would like to provide our comments regarding the notice of application for a Development Permit DP 19-866690;

Further to the Development Panel Meeting to be held today, May 27, 2020 at 3:30 pm PST in Council Chambers, Richmond City Hall, please find below our comments for your record and consideration:

- Concerned about future Property Value
- Concerned about overall view/obstruction for our building & unit; river and overall aesthetic setting
- Concerned about overall city landscape, green space and nature implications (due to removal of 8 City trees)
- Concerned with population density in light of Covid-19 pandemic

In addition to the above mentioned items, we are surprised that this meeting is still moving forward in light of the circumstances surrounding the Covid-19 pandemic; which may limit the number of responses to the application for the above mentioned development permit.

Please let us know if you have any questions,

Best regards,

Colin A Lowndes, Colin S Lowndes, Donna Z Lowndes, Vincenza J Lowndes (nee Nardiello)
