Item # <u>2</u>
Re: <u>DP 18-825006</u>

I agree as well that the construction site traffic enter and exit off Bridgeport road.

At the present time we are working with Richmond Bylaws to have no parking signs installed in front of our homes. We get choked off regularly by Costco shoppers parking here and we know the limitations of our small street. I feel that many large vehicles on our street would be a hardship for ourselves and our neighbours.

Best regards

Subject: Resident concerns on development permit number 18-825006

Dear Mark,

Thank you for taking my call today and hearing my concerns regarding some of the safety issues that I feel need to be heard and addressed at the upcoming meeting of the major development of 9455 and 9533 Bridgeport Road. We have all been long time residents of this small residential street of Beckwith Road East of the Oak bridge. Resident family members have built their homes here and the some of oldest residents being in their 90's who walk and around our small neighbourhood. I walk my child to school and my concern as well as others who will be contacting is the the large dump trucks coming down Beckwith. There is no side walk and we have to be carful as it is and we would like to be able to walk safely in our neighbourhood.

We all are very aware that this area is under much development. However, we request that the developers acknowledge and make a safety traffic plan alongside with the city to keep our all of our residents safe with these very large moving vehicles.

We strongly request that the dump trucks, large trucks, excavators and or vehicles enter/exit off Bridgeport access point.

Sincerely,

Seana Alexander
