Hi City of Richmond,

We are the Owners of 10031 No 4 Road. There is potential for future development of townhomes on my site including neighbouring properties 10011 No 4 Road, 9840 William Road and 9720 William Road. We would like to request the following at the subject site for our future development:

- A share driveway easement access at the subject site
- An area to install a mailbox at the front entrance
- An area to install an entrance signage with the future development's name and address number at the front entrance
- An area to install a fire access plan sign at the front entrance

If you require further information, please let me know.

Thanks,
Earl Luk and Queenie Law
