Subject: DP 19-855200 Location: 6091 and 6111 Dyke Road Applicant: Oris (Dyke Road)
Development Corp.

We would like to ask that the potential planting of 6 black cottonwood as per DP 19-855200 staff report, be reconsidered. We live in the adjacent building "Nakade" 13251 Princess St. While the cottonwoods are lovely trees we currently suffer from excessive cotton flying (May through the end of June) onto our decks and causing allergic reactions for some of our family members. The idea that more cottonwood trees would be added to the numerous cottonwood trees across from us on the dyke is very concerning. We would appreciate a different tree be used.

Thank you for your consideration of this matter.

With Appreciation

Amanda and Rick Hansen Unit 401-13251 Princess St.
