Hello Sara Badyal,

I'm writing as an owner of the neighboring property 10311 River Drive to formally oppose the extension proposed for 10333 River Drive.

The new property is already two stories taller than the 3 storey townhomes in the area and will be obstructing the views of much of the natural environment and skyline. The dike pathway is narrower in front of 10333 River Drive and the extension would impact the shared public space usage as well.

Once again I am opposing the extension request.

Thank you.

Kind regards,  
Karen Luk
