Dear Mr. McMullen,

I am writing you today in regards to this development that is happening on Bridgeport Rd. (# 18-825006) Many of us long time residents are concerned about safety and quality of living in the neighbourhood. Especially for our 3 elderly ladies in their late 80's and 90's. And our youngest resident, a young 7 year old.

All of them actively use Beckwith road, As does Miles at Cherry Lane farm and Ramon C. (and Richmond's Flame Heating)

Many are hoping that construction traffic is not permitted to impact them, their businesses, farms or their safety. Many residents have been here since the 1950's and 1960's and are hoping that you take our/ their concerns seriously. Thank you for your attention to this. As we all hope to have a pleasant, neighbourly relationship. Having Beckwith not included as a construction road would help with our concerns. We aren't wanting to complain- just want our safety concerns heard.

Thank you for your time.
