**Subject:** DP Panel Meeting - Oct 15, 2020 DP 19-855200: our concerns

Dear Sir/ Madam

I am a Nakade residence and would like to submit my concern to the building project on 6111/6091 Dyke Road (DP19-855200).

My husband and I are concerned with planting 6 black cottonwood trees in the vicinity, 4 are slated to be on our property line with them in the Reparian Area (ditch). The other 2 are to the west closer to Dyke Road. One of our Nakade residence have confirmed with Parks that they are the same Cottonwood as across the street.

It is a major allergy concern to us since the existing cottonwood has been causing allergy symptoms in the early summer, 6 more could be overwhelming, I sincerely hope you can consider other alternatives beside cottonwood tree.

Thank you.

Sincerely,  
Angela Tsang
