Resolution to consider:

Whereas the Richmond Sister City program is for Cultural and Sport exchanges, to promote intercultural learning opportunities;

Whereas the City of Richmond has declared a Climate Emergency and is working to achieve carbon reduction in line with the IPCC targets to hold warming to 1.5C;

Whereas the City of Richmond is a climate leader in district energy and other areas;

Whereas there are international cities which are more advanced in achieving carbon reductions in active transportation and other areas;

Therefore be it resolved that the City of Richmond incorporate Climate Knowledge exchange into the program goals for the Richmond Sister City program, to achieve mutually beneficial opportunities to further reduce carbon emissions and create additional opportunities for citizens to be part of the economic and social transition to a low-carbon society.
