Subject: Project details 6111/6091 Dyke Road for DP planning meeting

I was just informed that a planning meeting will be held today for the development of 6111 and 6091 dyke Road. On the DPP I see the lists of trees to be planted and then on Page 45 it lists the trees and they are different. I would strongly object to the planting of more Cottonwood trees in this area as they drop cotton for at least 8 weeks into our vents, decks, ramp and windows. This is a high level allergen (and the cotton is also flammable.)

Thank you for listening to our Strata's concerns.
