Schedule 10 to the Minutes of the Council Meeting for Public Hearings held on Monday, May 21, 2013.

PETITION

To Public Hearing
Date: May 21, 2013
Item #5
Re: Zoning Amendment
Bylaw 9015
7400, 7420, 7440
Railway Auc

We, the neighbours, petition the City of Richmond to DENY the rezoning application (File No. RZ 12-619835) to rezone 7400, 7420, 7440 Railway Avenue from single detached (RS1/E) to low density townhouses (RTL4) in order to construct 15 townhouse units.

This would allow these townhouse units to be put right in the midddle of our single residential home community with single residential homes on either sides and the back of this townhouse proposal. This proposal will ruin the character of the street and neighbourhood as well traffic will be a concern since Railway Avenue is a single lane street both ways with no parking permitted on the street.

We demand that the City of Richmond to deny this rezoning application.
