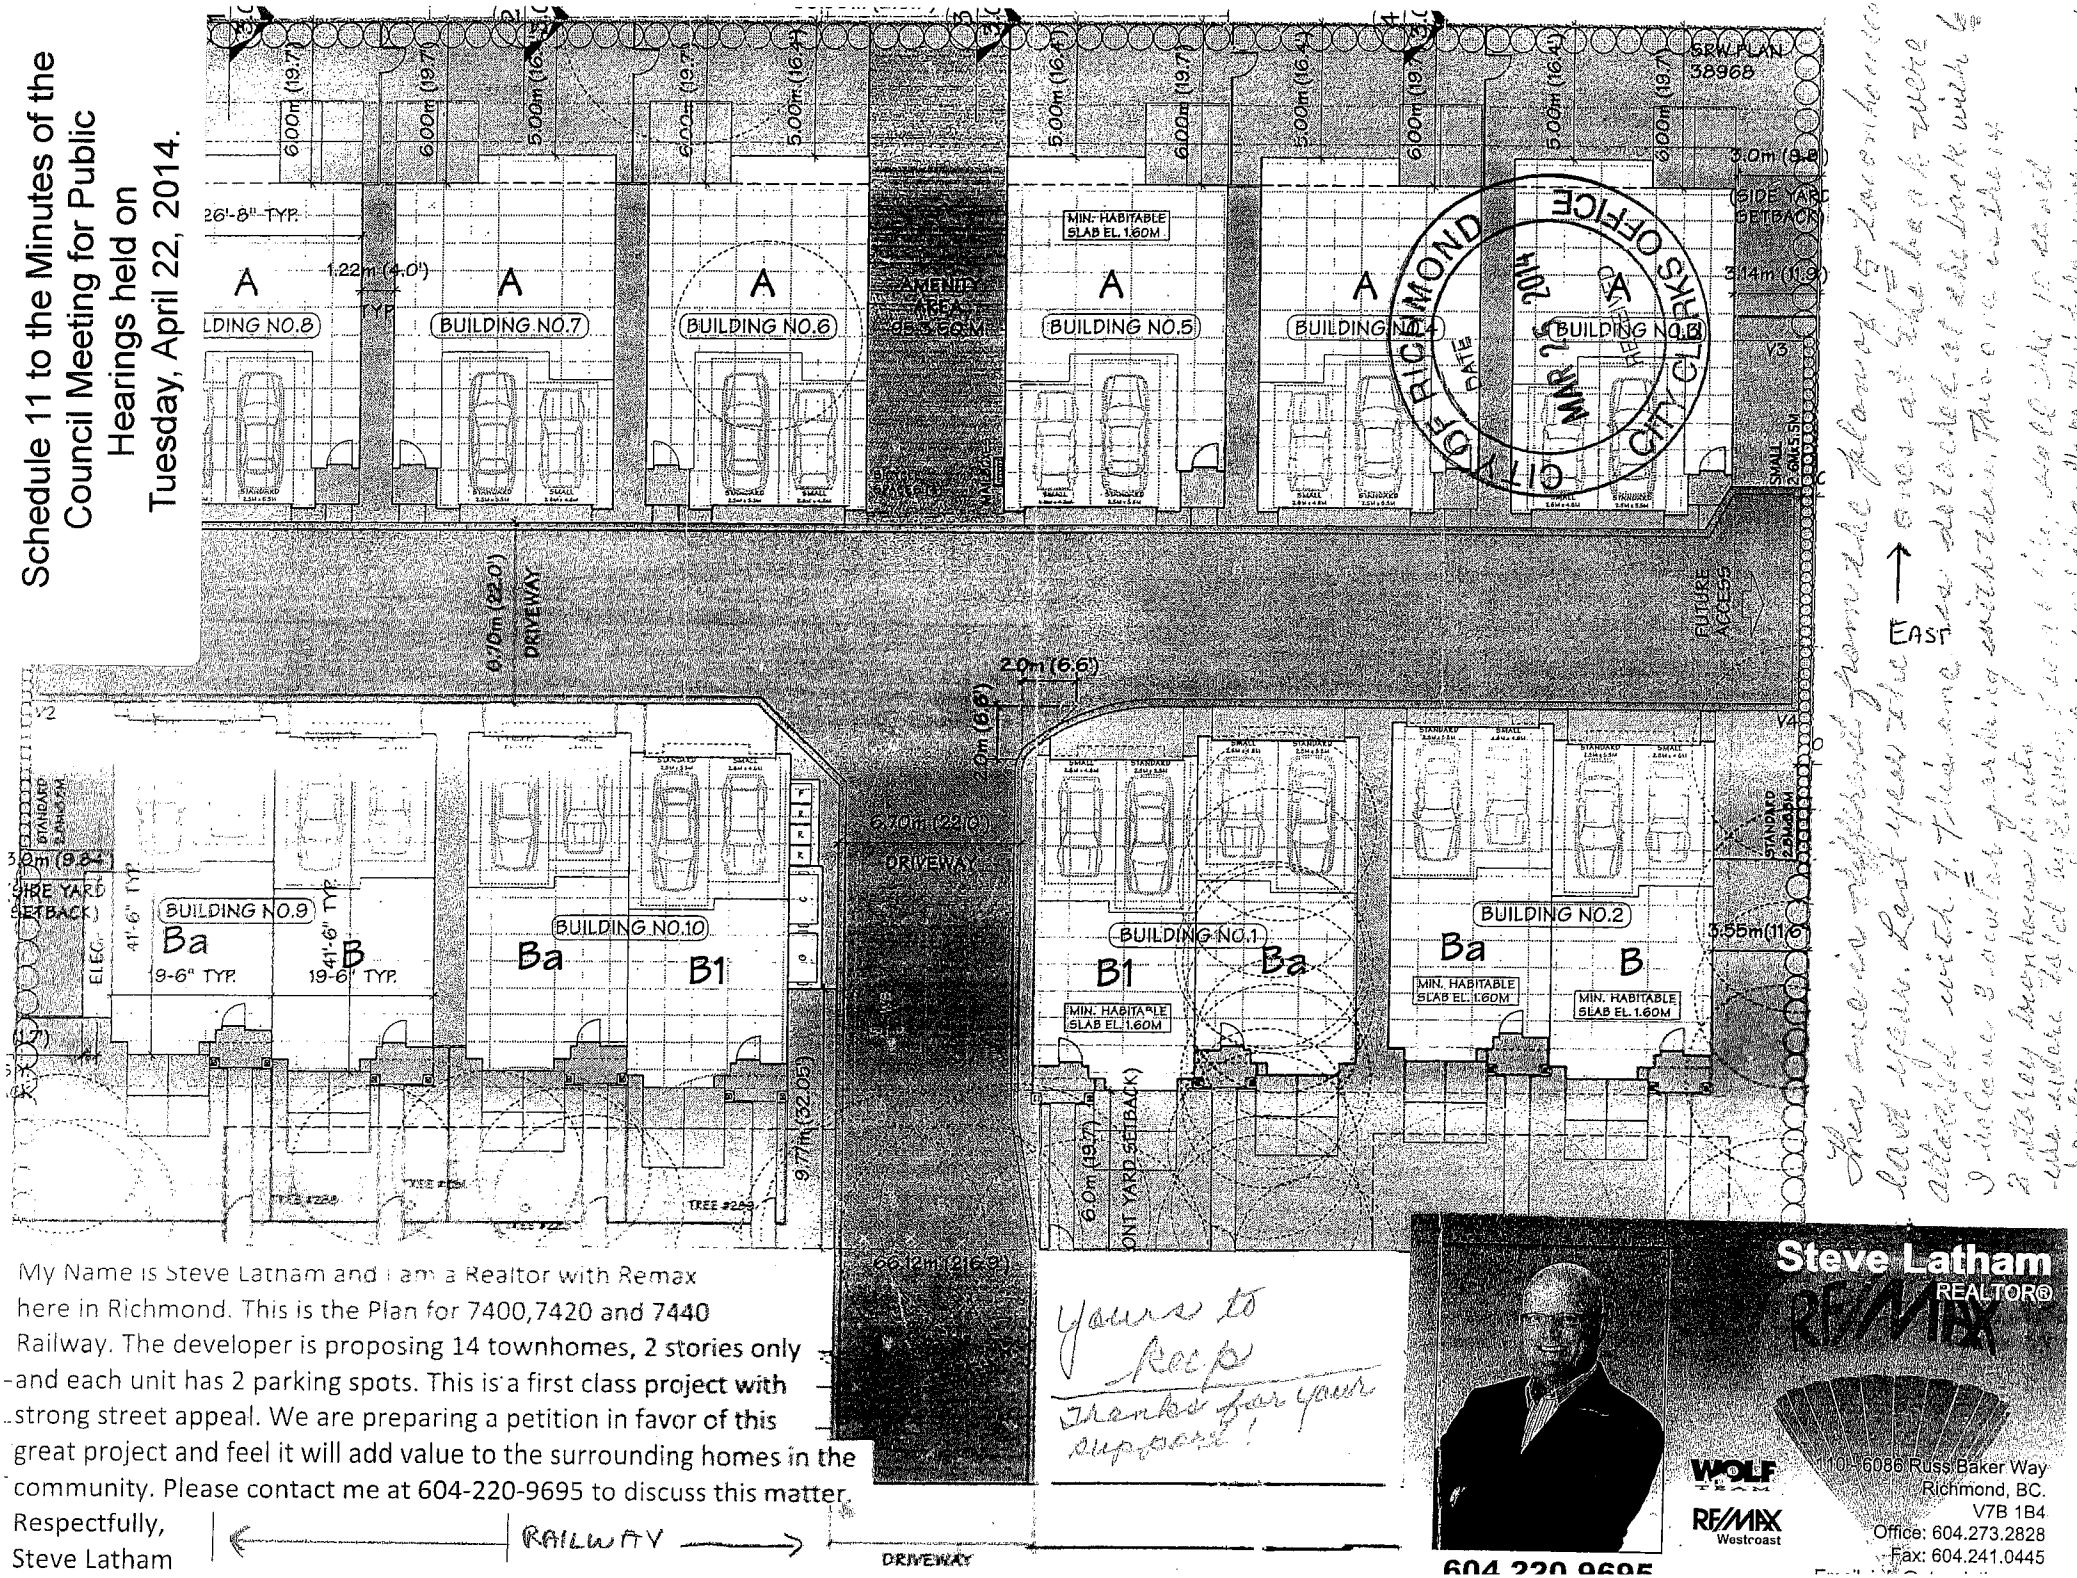
Schedule 11 to the Minutes of the Council Meeting for Public Hearings held on Tuesday, April 22, 2014.



My Name is Steve Latham and I am a Realtor with Remax here in Richmond. This is the Plan for 7400,7420 and 7440 Railway. The developer is proposing 14 townhomes, 2 stories only and each unit has 2 parking spots. This is a first class project with strong street appeal. We are preparing a petition in favor of this great project and feel it will add value to the surrounding homes in the community. Please contact me at 604-220-9695 to discuss this matter.

Respectfully,
Steve Latham

Yours to keep
