Dear Mayor and Council:

**RE: Official Community Plan Amendment at 6551 No. 3 Road (CF Richmond Centre South) File: CP 16-752923**

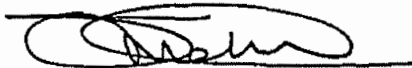

---

I am writing in response to the above referenced application that will be considered by Council on December 17th, 2018. As such, I am in support of the proposed amendment for the above noted property.

I fully support the transformation of Richmond Centre and the surrounding area. I am the 4<sup>th</sup> generation of my family living in Richmond and have seen very significant change over my lifetime. This exciting project appeals to me as it really creates a community feel that can be enjoyed by those living in the immediate area and would be a destination for me from where I currently live in East Richmond.

Accessibility to living, shops, restaurants, recreation, cultural events and entertainment, services and transportation from one central location will be very positive for the City of Richmond.

Sincerely,

Shelley Matsuo
