Your Name:	George Wang

Subject Property Address OR Bylaw Number:	Zoning Bylaw 8664(ZT 10-542950), 9388 Cambie Rd
Comments:	I would like to express my concern and objection to the building on this address since this building will be having the following adverse effects on my property: Loss of privacy; loss of sunshine resulting increased energy bills, loss of the view, loss of market value of at least 20% of my house/land. The building is already 6 and half floor high, going up more so it is by no means a low rise apartment, and the price is definitely not affordable to ordinary working people. During the construction, the water supply to this neighborhood has been tempered several times that the water from our tap was yellow and muddy. I request the city to consider stop this building and demand some compensation from the builder. Sincerely George Wang
