Item # 7
Re: Bylaw 8108

I am opposed to this project going ahead  
for the following reasons

- (1) possible removal of tree + cedar hedge borders, especially on the side of our neighbours. Richmond has had too much removal of green space.
- (2) No consultation with properties affected by purchaser
- (3) Opposed to two structures blocking our view of the ~~the~~ Farm land
- (4) Unnecessary noise on what has otherwise been a quiet street resulting from construction and supply trucks
