

FEBRUARY 2013 STATISTICS

Schedule 1 to the Minutes of the Community Safety Committee meeting held on Tuesday, April 9, 2013.

This chart identifies the monthly totals for all founded Criminal Code offences, excluding Traffic Criminal Code. Based on Uniform Crime Reporting (UCR) scoring, there are three categories: (1) Violent Crime, (2) Property Crime, and (3) Other Criminal Code. Within each category, particular offences are highlighted in this chart. In addition, monthly totals for Controlled Drugs and Substances Act (CDSA) offences are included.

The Average Range data is based on activity in a single month over the past 5 years. If the current monthly total for an offence is above average, it will be noted in red, while below-average numbers will be noted in blue.

Year-to-Date percentage increases of more than 10% are marked in red, while decreases of more than 10% are blue. Please note that percentage changes are inflated in categories with small numbers (e.g.: Sexual Offences).
