Comments	With a our townhouse complex in the south-east corner of Mellis Drive already creating creating traffic and parking issues from this neighbourhood during significant periods of the day (particularly at Bargaen & Cambie), road access should be limited to Cambie road ONLY. The street along Mellis are already narrow as it is, with cars cutting the corner at high rates of speed, there are already concerns with the existing traffic, which will only get worse if the 20+ unit proposed development goes ahead with access to Mellis.
