## Public Information Meeting Rezoning Application Number: RZ 12-619835

The developer, Sandhill Development Ltd., is proposing to rezone 7400, 7420, 7440 Railway Avenue to allow *fourteen (14) 2-storey townhouses units* or *ten (10) units rowhouse (duplex)* to be developed on the property. We would appreciate your comments on the proposal.

**Option 1:** I am in favor of fourteen (14) 2-storey townhouse units.

No

Comments:

Lindfield gate is already too congested. We already have  
too many cars parking on the north end <sup>of Lindsay</sup>. We think only detached  
single houses will be acceptable in this area.

**Option 2:** I am in favor of ten (10) units' rowhouse (duplex).

No

Comments:

No parking on railway because of bicycle lane, so this  
is unrealistic. There's should be other options.

Your comments will be collected by the City and will become public record.
