**Survey Response**

Your Name:	Robert Link
Your Address:	902 - 8288 Saba Rd
Subject Property Address OR Bylaw Number:	6331 and 6351 Cooney Road
Comments:	I strongly object to the rezoning (RZ 09-506908) at this address from "Low Density Townhouses" to "High Rise Apartment" as the support infrastructure, especially the road network in the near vicinity, was only designed for low density. Or more simply put: the traffic volume already exceeds road capacity in this area. The resulting traffic congestion leads to excess pollution, making it unsafe to push a baby stroller along Cooney road. Furthermore, we moved here with the understanding that the surrounding area was to remain low density. We bought our unit in good faith, believing that the established zoning would be respected. I am very upset that a high-rise apartment would be constructed practically right in front of my living-room window.
