Public Information Meeting Rezoning Application Number: RZ 12-619835

The developer, Sandhill Development Ltd., is proposing to rezone 7400, 7420, 7440 Railway Avenue to allow *fourteen (14) 2-storey townhouses units or ten (10) units rowhouse (duplex)* to be developed on the property. We would appreciate your comments on the proposal.

Option 1: I am in favor of fourteen (14) 2-storey townhouse units. NO

Comments: I don't support! They are not congruous with the surrounding area. Besides, the proposal will increase the density of population which will in turn cause other problems, such as traffic.
So, what I would support is three detached houses.

Option 2: I am in favor of ten (10) units' rowhouse (duplex). NO

Comments: Same as above

Your comments will be collected by the City and will become public record.
