City Clerk Please accept this submission. The on line form was not available.

Mayor Brodie and Councillors. What do some of you have against ONNI, Why has every other project that ONNI and other developers projects gone ahead but not this one. There must be a reason that I and other residents can't understand. When I have phoned some councillors if they answer which the majority don't although it, what they get paid well for, to be accountable to the residents especially the ones right across the street from the development and voice my approval for the ONNI proposal all I receive is a tirade of abuse and complaints against ONNI. As far as I know ONNI has complied with every thing that council asked of them. Regarding the 24 hr desk coverage for the proposed Hotel development. I notice that at the Buccaneer Hotel in Steveston Village they don't have that 24 hr coverage so why is it required for ONNI. I can only guess that there is a hidden agenda with some councillors that do not want this development to go ahead. Some of you although you claim to work in the best interest of the city of Richmond to squeeze every last dime out of ONNI forget that Steveston Village is the City of Richmond too. I have lived at the same address for 14 yrs I live on English Ave right across the street from the ONNI development. When I moved in my wife and I had great expectations for the then empty lot in front of us and that the community center would be upgraded or

replaced and new library built across the from the the community center on the corner Moncton and Easthope.

No such luck, nothing was done on the empty lot although ONNI proposed on Three occasions to build very good and purpose full developments.Those proposals didn't even make it through the development permit panel.Mr. steves,Mr. McNulty and Linda Barns blocked every time.In the end I believe ONNi went ahead with the original development plan so as to get past the Harold Steves committee.Now we have and have had for a number of years a stalemate where some member of council are determined to block the current ONNI proposal.I and other are disgusted with the way you have been time after time blocking this development,with one ridiculous reason after another.Most of you don't live where I live and seem not to care about how residents and visitors a like are puzzled and disgusted what council are doing and not approving this application.
