Comments:	<p>I received City Hall's notice informing me that 12 three-storey townhouse units are to be built at 7411 &amp; 7431 Moffatt Road. Upon inquiring at City Hall I was advised that each townhouse would have 2 parking spaces per unit. My concern is should any resident of this complex have more than 2 vehicles, is, where will they park? Moffatt Road is full to overflowing with parked vehicles of many descriptions, sometimes parking on yellow lines. However, enforcement by City Hall is not consistent. Many residents of small complexes in this vicinity think nothing of blatantly parking in other complexes where there is Visitor and even Reserved parking available. There are signs posted advising "private property, towing etc" to no avail. Strata Councils are diligent, however illegal parking continues to be a problem not only on private property but also on Moffatt Road, especially when school is in session. Enforcement by City Hall is sadly lacking. Another concern is the carbon footprint all</p>
