Re:	Bylaw 8562

We are the residents of #6355 blundell Rd.
 We just bought this house in October 2009.
 When we bought this house, the seller has told us
 that the rear lane is quiet and safe. That is
 one of the most important reasons why we bought
 this house.

If they let the vehicle access from the rear
 lane extension, it will be very noisy and unsafe.
 I have a very young child, so I prefer a safe
 and quiet place for my child. If they access from
 the rear lane extension, it will not be safe for my
 child.

I believe that we are affected by the proposed
 bylaw; therefore, I reject the zoning proposal. I
 would prefer they make a ~~at~~ different access lane.

Thank you very much for your attention!

Sincerely,
 Huamin Li
