Re: <u>BYLAW 8737</u>

March 15th 2011

To Mayor and Council,

I am a local farmer with over 50 acres of land in Richmond, and over 500 acres in Pitt Meadows. I use 10 busses to transport my workers daily and need truck parking for my 4 farm trucks. I strongly support the 16540 River Road, Rezoning Application to Light Industrial as there is a large need for secure truck parking in Richmond. I have been briefed on Viridi Pacific Holdings application and see no problem with truck parking in the area, especially because the land is out of the ALR. I strongly support farming and understand the need for business growth. Please feel free to contact me if you have any further questions.

Yours Truly
