Re: <u>BYLAW 8737</u>

Dear Mayor and Council,

I grow vegetables on a 25 acre vegetable farm in Richmond, and I support Viridi Pacific Holdings application. As a local farmer I rely on trucks to transport my goods to market, and farming is my livelihood. I have four trucks that are in need of secure parking spaces and would like to lease space at 16540 River Road. Truck parking is hard to come by in Richmond, and parking should be allowed especially because it is for agricultural use. I understand that the land is out of the ALR and is designated in the Official Community Plan for Light Industrial Business and Industry. It is also to my understanding that there will be a maximum allowance of 40 trucks on the lot (all agricultural) therefore I see no problem with the application.

Thank you,

Sukhwinder Dhillon
