

Schedule 18 to the Minutes of the
Special Council Meeting for
Public Hearings held on Tuesday,
July 26, 2011.

To: City of Richmond Urban Development Division, City Hall (604)276-4395

LET OUR VOICE BE HEARD – PETITION AGAINST CONCORD PACIFIC
DEVELOPMENT REZONING APPLICATION RZ 10-557918

By signing below,

We, the taxpayers and residents of Richmond in the vicinity of the proposed site oppose the rezoning application of Concord Pacific Development Inc. to rezone 9099 Cook Road from RS1/F to ZHR1. File number RZ 10-557918.

The demands of this rezoning will not only negatively affect the life of the residents in the neighborhood, but also damage the home value of our properties.

1. The development will remove the only remaining forested area in the vicinity and severely affect the appearance and ecology of the neighborhood.
2. The development will result in a new high-rise being built extremely close to the existing buildings and block views and sunlight to a significant portion of the existing buildings. It will also set a dangerous precedence, opening the door for other developer to seek significant increase floor area ratio and decrease distance between the buildings.
3. The increase in density will overload the infrastructure of the neighborhood. This increase in population density will exacerbate the current traffic, parking and noise problem.

Sincerely,

The Undersigned
