Dear Mayor and Council

I think it's time to put life into those empty ground level store fronts along the waterfront before vandalism becomes a problem. The original idea of permitting only marine related commercial on the ground floor was worth a shot but, unfortunately, does not seem to have been enough to be viable. Broadening the range of commercial uses permitted in those storefronts, as proposed, appears to be a reasonable compromise.

I support the rezoning.

Lisa Colby
