Dear Mayor and Council please approve ONNI'S rezoning application.
We the immediate residents and indeed the whole area have waited long enough for this wonderful development to be populated. My wife and I when we moved here in 2004
Fully expected for this area to be developed to its full potential. That means a new library a new community centre and the village it self to be a model village. None of these things has happened. Why? vested interests elsewhere.
It's not lost on me and a lot of people that there's no problem aproving London Landing development or the development with a grocery store opposite the Buccaneer Pub on Moncton. We thought by moving to the village we wouldn't have to drive anywhere for most things that's not the case now. If council has a problem with ONNI get over it for sake of the residents. To my wife and I council not approving this new proposals will be the last straw and we will sell up and move
Out. The development left empty all these years is a disgrace, an embarrassment, no one especially visitors to the area can't understand it.
Do the right thing for the people for once and not for vested interests. I'm not holding my breath for a reply from any of you. I've never had one yet for any letter I've wrote to council!
Regards Jeff Jones
