Subject Property Address OR Bylaw Number:	Bylaw 8967 (RZ 12-598701)
Comments:	<p>This zoning amendment bylaw relates to the property immediately south and adjacent to my residence. I want to insure that the large mature cedar hedge, located on the south boundary of my property, is protected and not damaged during the redevelopment process. This hedge provides privacy as well as sound buffering for my residence, and is also a significant landscaping feature. There are also numerous large mature trees of varying species on the subject property, as well as those adjacent to the subject property. To maintain the character and ambiance of the current neighbourhood it is critical that these trees be maintained.</p>
