Dear Edwin,

Please take this as a formal notice to oppose the application of DV09-480570 of 9700 No 3 Road. Being a neighbour with common ground, both interior and exterior of my property was serious damaged during demolition of 9700 No 3 Road. There were various attempts trying to notified the builder but was not acknowledged. The case is in the hand of my lawyer and please contact Mr Wayne Ryan for further details.

As discussed, please forward this letter to Mr David Weber- Director , City Clerk's Office.

Much Obligated,

Michael Chung
