Comments:	This is the smart & correct way for Richmond to increase it's tax base. Also, it will allow normal homeowners access to a secondary revenue stream to help pay those ever increasing taxes. With the lack of student housing at the new Aviation School on Sea Island, affordable rental housing with be welcome, and will also alleviate increasing traffic on already crowded island bridges and city streets. Finally, many potential European tourists need accomodation they are used to. Tourism is a clean, green industry, in keeping with the Richmond theme of 'Naturally, by the Sea'.
