Dear Mayor and Council

I was born and raised in Steveston and am quite frankly disgusted with what my cozy fishing village has turned into. Everyone I've talked to agrees with me. They came to visit Steveston for the quaintness and fishing culture, and felt like they were going back in time to when life was more simple. But human greed for money and profit has destroyed all of that. This whole Onni development site should have been left as a nature area. The cement walkway is terrible. The buildings are terrible. At least find a way to keep this area historic, quaint, and marine related. No more retail or restaurants. No grocery stores or gyms. And certainly not a hotel. And please do not mess around with the infrastructure, such as raising the intersections and adding bollards. Fishing villages don't look like that! This is not Yaletown.
