Dear Councillor Halsey-Brandt:

**Re: 2009 Family Violence Conference Grant**

On behalf of the Richmond Family & Youth Court Committee (RFYCC), thank you for supporting the Committee and for providing \$10,000 in seed money.

Due to the success of additional funds raised in the community, the Committee found it did not require the City-provided seed money. At a RFYCC meeting there was a discussion regarding whether to keep the excess raised funds, or whether to return those funds with the \$10,000 that was originally provided. The Committee decided that because the community donated money was specifically for the Conference, that it was best if the Committee did not keep the funds to use for something else. That is why you will note that the cheque enclosed totals \$10,229.25 which includes the original seed money plus interest and the balance of the unused fundraising funds.

Please accept the cheque that is enclosed. The Conference bank account has now been closed.

Again, the Committee thanks you for your continued support of our activities.

Yours truly,

  
Teresa Vozza, Chair  
*Richmond Family & Youth Court Committee*
