Subject: Comment for 6011 River Road development (DP 22-014200)

River Road is two way traffic with only one lane for each side, we see increasing traffic with so many newly built high rise buildings. The situation is now getting worse as there are increasing activities at the Oval Gymnasium. Also, a new development has already started at 5900 River Road (opposite to 6011 River Road), for a 14-storey high rising building consisting of 227 units, certainly will cause more problems along the River Road.

I therefore **DO NOT** support the 6011 River Road development plan.
