Subject: Community Members against DP 10-538908 regarding 60 person child daycare facility in residential zone
Categories: 08-4105-20-2010538908 - 8851 Heather Street

Dear Evelina Halsey-Brandt- members from the 8000 block of Heather Street will be coming to tomorrow meeting at City Hall regarding the permit application for a large child daycare at 8851 Heather. Members of our community will be presenting a petition and photographs to oppose a large facility in our neighbor, that would add to an already crowded high density residential street. We would like to introduce Amar Johal of 8880 Heather who will be in attendance, amongst other members. We hope you consider the neighborhood's position on this matter, as we are dealing with a crowded narrow street, speeding drivers, and a large ditch at Dolphin park, which is directly across the street from the proposed project. We would also like the council to consider an environmental friendly pathway/sidewalk of some sort for covering this ditch, but to allow sunlight to pass through for fowl or fish that maybe in the ditch. Currently I can describe this ditch as a mosquito green water cess pool.

In conclusion, we would like council to further consider neighborhood liveability in our dense neighborhood, i.e. sidewalks, speed bumps, ditch filling, street lighting, more traffic control, and our own City Police Department to address city needs, etc... Thanks, Raj
