Dear Sir/Madam,

My name is Huang Wen Zheng. I have received a letter from Richmond City Hall ,about 9300 and 9320 Cambie Road. My address is 195-4133 Stolberg St. The development of a five storey multi-family apartment is facing my unit. Because my unit is ground level and only sees sunlight from the west side. The project is just on my unit's west side. I have two questions: how far is the development project from my windows as I am concerned that the project will be too tall and will block the sunlight. That is a big problem, I hope the development project won't be too tall, maybe four stories is better. I want get further information from you. Thanks!
