Your Name:	A Yekta

Subject Property Address OR Bylaw Number:	8488 (RZ 05-317846)
Comments:	I am totally disagree and opposing with this amendment. My apartment is exactly opposite to the subjected area at the west side of Cooney Road. Other than loosing our view of green area after cutting trees I believe that building of high-rises and heavy constructions in this area will have direct effect on our building foundations due to vibrations and nature of land of this area. I can feel vibrations under my feet even when a Transit Bus is passing through Cooney road. I am sure our building will suffer heavy cracks if this construction happens. It will destroy our asset and City money and whoever is approving this amendment will be responsible. Thanks. Regards, A.Yekta
